

100 Mace Ave. – Essex, MD 21221 – [www.stembridgecolts.com](http://www.stembridgecolts.com)

For over 40 years Stembridge Football & Cheerleading has been servicing the community of Baltimore County as a member of the Essex/Stembridge Parks and Recreation Council. As a 501-C3 non-profit organization (ID# 31133441), we rely on the generosity of our members and the community, in general, to give us the opportunity to be successful.

From the months of August through November you can find over 300 local youth, between the ages of 4 & 14, practicing, playing, and competing in the sport they love. We strive to use football and cheerleading practices as tools to teach some of the many valuable life lessons that young people must know in order to become successful members of society, such as:

- Being a team player
- Having a positive attitude
- Interacting with their peers
- Dealing with both victory and defeat
- Having a sense of commitment and dedication.
- The value of physical activity

For us to be able to do this we need your help!! The cost of equipment, competitions, referees and field supplies are constantly rising. To keep our registrations as affordable as possible, and to give as many children as possible a chance to join our organization, we must offset our expenses with contributions and donations.

Fundraising is never easy and has become increasingly more difficult in these trying, economic times. I hope you will decide to make a difference in the lives of our youth, despite the current economic situation. There are a few ways you can help:

**Game Jersey Sponsorship:** With a donation of \$4,000 to help offset the cost of our game jerseys, we will have your logo screen printed on each jersey and you will receive a jersey to hang at your establishment. Please call Dennis Martinez at 410-371-7195 or 410-866-6060 for more information.

**Practice Jersey Sponsorship:** With a donation of \$2,000 to help offset the cost of our practice jerseys, we will have your logo screen printed on each jersey, and you will receive a jersey to hang at your establishment. Please call Dennis Martinez at 410-371-7195 or 410-866-6060 for more information.

**Score Board Sponsorship:** With a donation of \$750, we will add your company's name to our scoreboard, which will be used at all home games. Please call Dennis Martinez at 410-371-7195 or 410-866-6060 for more information.

**Banner Sponsorship:** For \$250, your company logo will be put onto a 4'x4' banner and displayed along the fences of Stemmers Run Middle School during our home and playoff games. You can continue your banner sponsorship from year to year with a \$150 Renewal fee.

**Product or Gift Certificate Donations:** If you are unable to make a financial donation at this time, there are other ways you can help. We are always in need of gift certificates or merchandise for our weekly raffles, Golf Tournament, and Bull Roast, as well as materials to improve our equipment storage area, concession stand or field. No gift is ever too small, and we can find a use for almost anything.

Contributions of any amount are appreciated. In return for your generous contribution, we will list you in the Stembridge Colts Football & Cheerleading Booklet, acknowledge you in our weekly newsletter, and include your name or website link on our official webpage, [www.stembridgecolts.com](http://www.stembridgecolts.com).

Won't you please take the time today to put something into the mail? You are our most vital resource. Without your help we would not be able to provide quality sports programs for our youth. Thank you in advance for your time and support.

**Donate to the Stembridge Colts Football & Cheerleading Program today.**

**Make Checks Payable to:  
Stembridge Football and Cheerleading**

**And Mail to:  
Stembridge Football & Cheerleading  
c/o Stembridge Recreation and Parks  
100 Mace Ave.  
Baltimore, MD 21221**

**Your contribution will make the future a brighter one for so many!**

Thank you,
